Dear Greg
Just one more time before we start the New Year, if scheduling permits, please make the following announcement on Sunday, December 11th on the English portion of your program for the Knights of Lithuania.

"This afternoon, members and friends of the Knights of Lithuania will be attending their annual Christmas Dinner Social at the Lithuanian Village. Following dinner, the Euclid Senior Combo will play music for listening and dancing pleasure."

Also enclosed, is a check for $20.00 from my wife Jean and myself for continued support of the Lithuanian Program.

Thank You and Mrs Stempuzis for your kind acknowledgments for the Knights of Lithuania this past year and I wish both of you a Merry Christmas

"Sveikas"
